DORDA BRUGGER JORDIS wins Chambers Europe Award for Excellence

DORDA BRUGGER JORDIS is delighted to announce that it has been named 'Austrian Law Firm of the Year 2010' by the internationally renowned legal directory Chambers Europe. The firm received this prestigious award at the Chambers Europe Awards for Excellence in London in May 2010.

The awards honour law firms for both pre-eminence and notable achievements over the past 12 months, including outstanding work, impressive strategic growth and excellence in client service. Chambers Europe commented the 'Austrian Law Firm of the Year 2010' award as follows: *"DORDA BRUGGER JORDIS is unanimously recommended for its cutting-edge legal expertise, commerciality and commitment to client service."*

Clients' opinions play an important role in the work of Chambers' researchers who stated: *"The outstanding quality of Dorda Brugger Jordis' work and its focus on client service set it apart from most firms."*

Since 1999, Chambers has been researching the legal profession in Europe, identifying the leading lawyers and law firms through extensive interviews with thousands of lawyers, their peers and their clients. Chambers researches, compiles and launches new editions of legal directories each year. The qualities on which rankings are assessed include technical legal ability, professional conduct, client service, commercial astuteness, diligence, commitment, and other qualities most valued by the client.
